OUR PARISH MISSION

We are a welcoming Christian family committed to Catholic values, responding to the call of Christ revealed in the diversity of human need. We practice a conscious, living, active faith in a community whose source of strength is the Eucharist.

Miraculous Prayer to the Little Flower

O Little flower of Jesus, ever consoling troubled souls with heavenly graces, in our unfailing intercessions I place my confident trust. From the heart of our Divine Savior, petition the blessings of which I stand in greatest need.....Shower upon me your promised roses of virtue and grace, Dear St. Therese, so that swiftly advancing in sanctity and perfect love of neighbor, I may someday receive the crown of life eternal.

Amen

MISSION APPEAL

On **August 3 & 4**, Fr. Richard Nguta, a priest from the Diocese of Kitui (ki-too-ee), Kenya, will be here to make a mission appeal on behalf of his diocese.

The Diocese of Kitui is located in the eastern part of Kenya. It is a rural diocese, very poor, and frequent droughts continue to keep the population there in dire poverty; 70% of the population lives in poverty and 52% suffer from malnutrition.

Pressing needs of the diocese include: obtaining water (wells and dams); construction of churches and parish buildings; education for seminarians/future priests; education and support for needy students; and medical and social support for orphaned children due to HIV/AIDS.

A second collection will be taken to provide monetary support for the Church in the Diocese of Kitui, Kenya.

Checks should be made out to St. Therese. Please be generous in sharing with the Catholics of the Kitui Diocese the blessings of wealth God has granted to us!

THE PROFILE OF CATHOLIC DIOCESE OF KITUI

The Catholic Diocese of Kitui, Kenya, covers slightly over 30,000 sq. kilometers (18,750 square miles) and has a population of about 1,100,000 as per the 2009 Government of Kenya census.

The area covered by the diocese transcends both arid and semi-arid areas with a 33% reliability of rainfall. Poverty levels stand at 70% with malnutrition being reported at 52%.

The main source of livelihoods for the people living within this region is marginal agriculture tending to crop and livestock—subsistence farming. With a vicious cycle of famine, most of the people find it difficult to absorb the devastation of these droughts making it an area that is perpetually on food relief.

The diocese was established in 1964 and has grown from 4 parishes to 26 parishes, with 72 priests and 6 deacons. The diocese is blessed with 84 nuns from different congregations with 95% being local. At the moment the diocese has 21 seminarians at different stages of formation and we thank God for these blessings. Kitui is a mission diocese as per to classification and reality.

In an effort to become a truly ‘Local Church’ the diocese is geared at ensuring self-sufficiency through the encouragement of our people to be part of ‘Base Christian Communities’ in the hope that all Christians take up their roles as empowered children of God and hopefully with improved standards of living, this will be achieved.

Challenges still exist especially in establishing a good financial base to support our pastoral and development programs. The anti-Catholic sentiments of fundamentalist groups tend to erode the true meaning of Christ’s message through proselytizing our people with promises of food, material gain and naïve answers to complex life questions.

As we endeavor to bring about the proper message to our people, we would wish to request for support to grow our pastoral and development programs especially in the functions of justice and peace, promotion of behavior change and positive living for persons with HIV/AIDS, support to orphans and vulnerable children, family life ministry, sharing faith experiences with other dioceses and most importantly formation of seminarians and ongoing formation of priests.

Looking into the future, we do have our priorities set on ensuring sustainability of our church through extending the diocesan revenue initiatives by recapitalizing our farming activities. We are also intending to build a new convent in one of our parishes and yearly support to our seminarians. As we seek to find options for the orphaned and vulnerable children, we intend to expand our HIV/AIDS program and undertake the establishment of a college for those children that are supported and do not attain grades that can allow them to join universities.

The diocese has a long standing reputation for prudent resource management and we have in place accountability and transparency structures that ensure appropriateness of our programs. We wish to plead for assistance from your office to support the diocese as we share with you the journey of faith and struggle that is our life.

We hope it will encourage you to find healing and remind you that you are not alone. GriefShare Loss of a Spouse is sponsored by Piasecki Funeral Home and led by Charlie Hansen, Anne Wasilevich and Rodger Rodriguez. There is a \$5.00 workbook fee. Register by calling Anne at 262-658-4101 or email anne@piasecki-althaus.com
