THE PRESENTATION OF THE LORD

Simeon blessed them and said to Mary his mother,
"Behold, this child is destined for the fall and rise
of many in Israel." - Lk 2:34a

OUR PARISH MISSION

*We are a welcoming
Christian family
committed to Catholic
values, responding
to the call of Christ
revealed in the diversity
of human need. We
practice a conscious,
living, active faith
in a community whose
source of strength is
the Eucharist.*

Miraculous Prayer to the Little Flower

*O Little flower of Jesus, ever con-
soling troubled souls with heavenly
graces, in our unfailing interces-
sions I place my confident trust.
From the heart of our Divine
Savior, petition the blessings of
which I stand in greatest
need.....Shower upon me
your promised roses of virtue and
grace, Dear St. Therese, so that
swiftly advancing in sanctity and
perfect love of neighbor, I may
someday receive the crown of life
eternal.*

Amen

Planned Parenthood's Profit Scheme

By Kristen Nupson, Wisconsin Right to Life Legislative/PAC Director

For Planned Parenthood, chemical abortions are not a means of “providing healthcare;” chemical abortions are a means of earning profit. Chemical abortions are relatively low-cost to healthcare providers. Unlike surgical abortions, chemical abortions are performed by providing a two-pill regimen that does not require an operating room, medical equipment, or a surgically-trained physician.

In May 2018, Planned Parenthood began to enact a plan: they opened the first ever chemical abortion-only facility in Sheboygan. Their next challenge was making distribution easier. Currently, Wisconsin laws dictate that a physician, not a nurse, distribute the pills to women seeking abortions. The patient is required to have two separate visits with the same doctor - one 24 hours prior to the pills being distributed. These laws exist to protect women, but they limit Planned Parenthood's ability to profit.

In November 2018, all five statewide elected offices were won by Democrats - friends of Planned Parenthood. They quickly saw their opportunity to get rid of these laws. In January 2019, Planned Parenthood filed a suit against the state in hopes of overturning protective laws.

As newly-elected Attorney General Josh Kaul was endorsed by and received donations from Planned Parenthood during his campaign, we asked that Kaul recuse himself from this case. He refused. The legislature quickly sought to intervene and hire outside help to adequately defend our laws, but this request was denied by the Seventh Circuit Court of Appeals. Josh Kaul is now in charge of defending our state against his friends at Planned Parenthood.

If Planned Parenthood is successful in overturning these laws, they could perform chemical abortions at all 24 of their facilities across the state. Abortion numbers in Wisconsin could more than double. Over 7,000 lives are at risk. Wisconsin Right to Life has maintained contact with the Attorney General's office and offered support in the form of providing amicus briefs and other legal resources. *We need your help to defend our laws!* By returning the enclosed envelope, you won't only help the programs of the WRTL Education Fund, you will help ensure our pro-life laws remain in place. Thank you for your support

Almost All Major TV News Outlets Failed to Cover March for Life: Once again (it happens every year), almost all the major TV news outlets (CNN, MSNBC, etc.) failed to report on the annual March for Life in Washington, D.C. in which hundreds of thousands of people from across the country marched for the pro-life cause. (Could that possibly be because they're all almost all pro-abortion?) You can see this fact discussed at the following FOX News you tube link: <https://www.youtube.com/watch?v=N2pS7Zo2C3w&feature=youtu.be> (go to the 6 minute and 15 second mark). This year **President Trump** delivered an historic address to those gathered for the March for Life. He is the first president in 47 years to appear in person and address the people who marched. You can watch his inspiring address at: <https://www.lifesitenews.com/news/watch-2020-march-for-life-trumps-speech-live-right-here>.

PARISH-WIDE SURVEY coming: St. Therese Parish will be participating in a parish-wide survey about discipleship conducted by the Catholic Leadership Institute. **Please help us by participating in this 10-15 minute survey.** The survey will be available **beginning Feb. 23 through March 23**, and can be accessed **online** at www.disciplemakerindex.com; one must select the Archdiocese Milwaukee and our parish to take the survey.

The survey will ask you to reflect on your own spiritual growth and enable you to provide feedback on our parish's efforts to help you deepen your relationship with Christ. All responses will be confidential and the parish will only receive information and publish results about the community as whole. We are trying to get the highest response rate possible. This information will help Fr. Campbell and Fr. McDermott and our parish pastoral council as we plan for the future and try to help everyone in our parish to be authentic disciples of Christ.

If you don't use the computer or have online access you can complete the survey with a **paper (hard) copy**. Beginning Feb. 23, paper copies will be available at the entrances of the church after weekend and daily Masses, or you can obtain a paper copy at the parish office. Completed surveys on paper should be turned in at the parish office.

We will receive the results of the survey this spring/summer at which time we will share what we have learned with the entire parish.

Thank you for helping with this important project!
