## OUR PARISH MISSION

*We are a welcoming Christian family committed to Catholic values, responding to the call of Christ revealed in the diversity of human need. We practice a conscious, living, active faith in a community whose source of strength is the Eucharist.*

### **Miraculous Prayer to the Little Flower**

*O Little flower of Jesus, ever consoling troubled souls with heavenly graces, in our unfailing intercessions I place my confident trust. From the heart of our Divine Savior, petition the blessings of which I stand in greatest need.....Shower upon me your promised roses of virtue and grace, Dear St. Therese, so that swiftly advancing in sanctity and perfect love of neighbor, I may someday receive the crown of life eternal.  
Amen*

## 5<sup>TH</sup> SUNDAY OF LENT

Jesus told her, "I am the resurrection and the life;  
whoever believes in me, even if he dies, will live."

- Jn 11:25

### Practical Spiritual Advice

The obligation to attend Mass is temporarily suspended, *but not the obligation to adore God on His Holy Day. Sunday remains the Lord's Day and must be kept holy.*

You can watch the TV Masses are available on WVTM, My24 at 7 a.m. and 9 a.m., and on WITI Fox 6, at 5:30 a.m; and on EWTN through this link: [ewtn.com/tv/weekly-grid](http://ewtn.com/tv/weekly-grid).

The FAMILY ROSARY is a wonderful way to pray together as family members. The Rosary is a compendium of the lives of Jesus, and of Mary. In praying this great prayer Our Blessed Mother draws us close to the Heart of Jesus, her beloved Son and our Savior. I like to remind people that it is a command of God to pray the Rosary daily: He sent Our Lady to Fatima, Portugal to tell us this!

The website [thesacredpage.com](http://thesacredpage.com) offers wonderful reflections on the Sunday Gospel.

We want to use this Lenten season of prayer and penance, as well as the Chinese Coronavirus pandemic, to grow spiritually. Cardinal Raymond Burke's statement makes for excellent reading:

[lifesitenews.com/news/cdl-burke-issues-new-statement-about-combatting-the-coronavirus](http://lifesitenews.com/news/cdl-burke-issues-new-statement-about-combatting-the-coronavirus)

Frs. Campbell and McDermott continue to offer daily Mass (but these are not open to the public at the present time).

Confessions avail. Saturday 3-4pm at Mt Carmel & St. Therese; also Tues 5-5:30pm at Mt. Carmel.

**Please remember to SUPPORT our parish; expenses do not lessen** with the suspension of Masses. **Thanks** to all who made a contribution last weekend. Please consider mailing in your contributions, or bringing them in to the parish office, or our deficit will increase.

### C.S. Lewis' Sage Advice during these Troubling Times w/the Chinese Coronavirus

It's now clear that COVID-19 is a deadly serious global pandemic, and all necessary precautions should be taken. Still, C. S. Lewis's words, written 72 years ago, ring with some relevance for us. Just replace "atomic bomb" with "coronavirus." In one way we think a great deal too much of the atomic bomb. "How are we to live in an atomic age?" I am tempted to reply: "Why, as you would have lived in the sixteenth century when the plague visited London almost every year, or as you would have lived in a Viking age when raiders from Scandinavia might land and cut your throat any night; or indeed, as you are already living in an age of cancer, an age of syphilis, an age of paralysis, an age of air raids, an age of railway accidents, an age of motor accidents.

In other words, do not let us begin by exaggerating the novelty of our situation. Believe me, dear sir or madam, you and all whom you love were already sentenced to death before the atomic bomb was invented: and quite a high percentage of us were going to die in unpleasant ways. We had, indeed, one very great advantage over our ancestors' anesthetics; but we have that still. It is perfectly ridiculous to go about whimpering and drawing long faces because the scientists have added one more chance of painful and premature death to a world which already bristled with such chances and in which death itself was not a chance at all, but a certainty.

This is the first point to be made: and the first action to be taken is to pull ourselves together. If we are all going to be destroyed by an atomic bomb, let that bomb when it comes find us doing sensible and human things praying, working, teaching, reading, listening to music, bathing the children, playing tennis, chatting to our friends over a pint and a game of darts – not huddled together like frightened sheep and thinking about bombs. They may break our bodies (a microbe can do that) but they need not dominate our minds.
