OUR PARISH MISSION

We are a welcoming Christian family committed to Catholic values, responding to the call of Christ revealed in the diversity of human need. We practice a conscious, living, active faith in a community whose source of strength is the Eucharist.

Miraculous Prayer to the Little Flower

*O Little flower of Jesus, ever consoling troubled souls with heavenly graces, in our unfailing intercessions I place my confident trust. From the heart of our Divine Savior, petition the blessings of which I stand in greatest need.....Shower upon me your promised roses of virtue and grace, Dear St. Therese, so that swiftly advancing in sanctity and perfect love of neighbor, I may someday receive the crown of life eternal.
Amen*

A Comparison of the Republican and Democratic Platforms

A non-partisan guide on issues of concern to the electorate
 Quotes taken from platforms in effect 2020-2024

REPUBLICAN PLATFORM

KEY ISSUE

DEMOCRATIC PLATFORM

"The Constitution's guarantee that no one can "be deprived of life, liberty or property" deliberately echoes the Declaration of Independence's proclamation that "all" are "endowed by their Creator" with the inalienable right to life. Accordingly, we assert the sanctity of human life and affirm that the unborn child has a fundamental right to life which cannot be infringed. We support a human life amendment to the Constitution and legislation to make clear that the Fourteenth Amendment's protections apply to children before birth." (p.13)

"We oppose the use of public funds to perform or promote abortion or to fund organizations, like Planned Parenthood, so long as they provide or refer for elective abortions or sell fetal body parts rather than provide healthcare." (p.13)

"We support the appointment of judges who respect traditional family values and the sanctity of innocent human life." (p.13)

"We support options for learning, including home-schooling, career and technical education, private or parochial schools, magnet schools, charter schools, online learning, and early-college high schools. We especially support the innovative financing mechanisms that make options available to all children: education savings accounts (ESAs), vouchers, and tuition tax credits." (p.34)

"We renew our call for replacing "family planning" programs for teens with sexual risk avoidance education that sets abstinence until marriage as the responsible and respected standard of behavior." (p.34)

"The integrity of our country's foreign assistance program has been compromised by the ...[Obama] Administration's attempt to impose on foreign recipients, especially the peoples of Africa, its own radical social agenda while excluding faith-based groups — the sector with the best track record in promoting development — because they will not conform to that agenda. We pledge to reverse this course...." (p.52)

Human Life

"Democrats believe every woman should be able to access ... abortion. We oppose and will fight to overturn federal and state laws that create barriers to women's reproductive health and rights, including by repealing the Hyde Amendment and protecting and codifying the right to reproductive freedom." (p.42)

Planned Parenthood

"We will repeal the Title X domestic gag rule and restore federal funding for Planned Parenthood" (p.32)

Judges

"We will appoint U.S. Supreme Court justices and federal judges who look like America ... and will respect and enforce foundational precedents, including ... Roe v. Wade."(p.39)

Education/ School Choice

"Democrats oppose private school vouchers and other policies that divert taxpayer-funded resources away from the public school system." (p. 67)

Sex Education

"We recognize that quality, affordable comprehensive health care; medically accurate, LGBTQ+ inclusive, age-appropriate sex education; and the full range of family planning services are all essential to ensuring that people can decide if, when, and how to start a family." (p.32)

Foreign Assistance

"We will support the repeal of the global gag rule (also known as the Mexico City Policy) and measures like the Helms Amendment, which limit safe access to abortion. We will also restore and expand American contributions to the United Nations Population Fund" (pp. 82-83)

Confirmation Hearings for Judge Amy Barrett Reveal Democrats' True Colors

“The hearings for Republican President Trump’s nominee Judge Barrett again made plain that the Democratic Party views its non-negotiable defense of *Roe v. Wade* as a life-and-death matter – death to countless preborn babies so that the party platform ideology may thrive. The anti-Catholic Sen. **Kamala Harris** (D., Calif.), the party’s vice-presidential nominee, used pro-abortionists’ familiar retreat to euphemism while promoting the bloodletting she espouses, saying, ‘I would suggest that we not pretend that we don’t know how this nominee [Judge Barrett] views a woman’s right to choose.’” (Dexter Duggan, *The Wanderer*, 10/22/20)

Note: **Sen. Kamala Harris’s conduct at the confirmation hearings** should surprise no one. As California attorney general Harris played a key role in prosecuting citizen journalist David Daleiden for uncovering Planned Parenthood’s (PP) illegal program of selling body parts of aborted babies. Harris ordered a police raid on Daleiden’s home in which his undercover videos were confiscated – videos which captured PP employees bragging about the prices certain body parts would fetch.

VOTING WITH OUR CATHOLIC CONSCIENCE

Our U.S. Bishops have stated clearly and unequivocally that abortion must be the “preeminent” issue when we vote for political candidates. Why is this so? Some people insist that while abortion is an important issue, other social issues can’t be ignored. Pope St. John Paul II gives us clarification: “Above all, the common outcry, which is justly made on behalf of human rights” – for example, the right to health, to home, to seek gainful employment – “is false and illusory if the right to life, the most basic and fundamental right and the condition for all other personal rights, is not defended with maximum determination.” Our own Archbishop, Jerome Listekki, has said that same thing (see quote in the bulletin a few weeks back).

How can we vote for a candidate, especially a presidential candidate, who advocates for the continuation of legalized murder in our country through abortion? To quote Bishop Donald Hying of Madison, “If a candidate is fundamentally wrong on such a basic and preeminent human rights issue of grave consequence to the most innocent in our society and to our own future, how can I trust the candidate to make moral and prudent decisions on many other important social justice issues pertaining to the common good?” The simple answer should be, we cannot trust such a candidate.

How can we support a political party that advocates, in its platform, for the so-called “right” to abortion – to murder innocent preborn babies under the banner of “choice”; and demands that our tax dollars be used for such an evil purpose? (See the comparison of the platforms of the Republican and Democrat parties.)

As we cast our ballots in the upcoming election, let us ask the Holy Spirit to guide us in order that our conscience, formed by Catholic principles, will guide us.
