OUR PARISH MISSION

We are a welcoming Christian family committed to Catholic values, responding to the call of Christ revealed in the diversity of human need. We practice a conscious, living, active faith in a community whose source of strength is the Eucharist.

Miraculous Prayer to the Little Flower

*O Little flower of Jesus, ever consoling troubled souls with heavenly graces, in our unflinching intercessions I place my confident trust. From the heart of our Divine Savior, petition the blessings of which I stand in greatest need.....Shower upon me your promised roses of virtue and grace, Dear St. Therese, so that swiftly advancing in sanctity and perfect love of neighbor, I may someday receive the crown of life eternal.
Amen*

PROFILE of CATHOLIC DIOCESE of KITUI, KENYA: 2nd special collection next weekend, July 30-31!

For many years our St. Therese & Mt. Carmel parishes have been assisting the Catholic Diocese of Kitui, Kenya by hosting a priest who has preached on the needs of the people there. For the past two years, because of Covid, no priest came. But this year – next weekend, Sat/Sun July 30-31 – Fr. Nicodemus Muithi will be at our church to speak about the Kitui Diocese, and we will have a **2nd special collection: Please make out checks to St. Therese Church with a note “Kitui Diocese.”**

Fr. Nicodemus is from the Catholic Diocese of Kitui, Kenya. He has recently arrived from Kenya and resides at St. Mark’s Parish in Peoria, IL. (Fr. Ben Reese was pastor at St. Mark’s and it was he who first invited priests from the Kitui Diocese to help them raise money for the needs of the people there.) Fr. Nicodemus travels around the US doing mission appeals in the summer for the Kitui Diocese. He was ordained in 2005.

The Catholic Diocese of Kitui, Kenya is a mission diocese that covers over 18,750 square miles. 26 parishes serve over one million people. The Kitui Diocese is in a sub Saharan plain, where one of the greatest challenges is drought and famine. Rainfall is unreliable. Poverty levels are at 70% with malnutrition at 52%. The main source of livelihood is subsistence farming: crop & livestock; but due to drought there is a frequent cycle of famine and most people are on food relief.

The trickledown effect of this influences everything including education, since schools close without clean water and fees for tuition are redirected to buy food since the crops fail. The burden that many feel during these times of need leave them feeling hopeless if not for their faith. Your support during this mission appeal is vital for the hope it provides.

In addition, the Kitui Diocese suffered from the Covid-19 pandemic, which caused severe economic hardship.

Bishop Joseph Mwangela of the Kitui Diocese has requested our assistance for many programs, including those that support orphans, family life ministry, and formation of seminarians/future priests.

Please be generous with your donations with the second collection that will be taken next weekend, Sat/Sun July 30 & 31! Again, make checks payable to St. Therese Church.

Fr. Campbell's **Wednesday 6am Men's Bible Study** will meet using ZOOM. Contact Fr. Campbell for the link at frcampbell@olmckenosha.org.

COVID Controversy: Dangerous Side Effects: The effect of COVID vaccines on women's menstrual cycles and reproductive organs has been a hot topic for the past two years. Now, the first peer-reviewed research study on this topic is out and shedding light on the dangerous effects of these drug treatments. "We are finding that lots of women suffered miscarriages and stillbirths after being subjected to experimental gene therapy," says PRI President Steven Mosher. "No women (or girls) who one day want to have children should go anywhere near the mRNA "vaccines." (*Population Research Institute INSIDER*, Vol. 2, Issue 21, June 10, 2022, pri@pop.org).

MORE on the CULTURE WAR

Marvel Comics introduces homosexual Spider-Man character named 'Web-Weaver' (Disney, which owns Marvel Comics, is behind this despicable move to brainwash children to accept the gay lifestyle/sodomy as something normal and noble): ([LifeSiteNews](https://www.lifesitenews.com/news/marvel-comics-announces-homosexual-spider-man), July 5, 2022) Marvel Comics announced that a September issue of its *Spiderman* comic book series will include a homosexual spider-man. "Something I realized immediately when conceiving Web-Weaver is that he can't — and shouldn't — represent ALL gay men. No single character can," writer Steve Foxe tweeted on June 27. "His fearlessly femme identity is central to who he is, but it's not the STORY — which you can experience for yourself in September!" Foxe wrote according to [Blaze Media](https://www.blazemedia.com).

Disney owns Marvel, including the popular Marvel Cinematic Universe movie series. **Disney officials at a town hall boasted about their plans to inject LGBT characters into content.** The company hosted the town hall in response to [criticism](https://www.criticism.com) from employees that it had not done enough to stop Florida's anti-grooming law prohibiting sex education until students are in the fourth grade. "Nobody stopped us, and it felt great," said Karey Burke, a Disney executive who previously worked at Freeform, a channel owned by the company. Freeform used to be called ABC Family; in recent years it has embraced the LGBT agenda. "In part, I think nobody stopped us because we were targeting Gen Z and millennials," Burke said. "We were targeting a younger, I think, more open-minded — and now we know, as my son texted me this morning, 'Gen Z is 30-40% queerer than the other generations, Mom, so Disney better get with it.'"
