OUR PARISH MISSION

We are a welcoming Christian family committed to Catholic values, responding to the call of Christ revealed in the diversity of human need. We practice a conscious, living, active faith in a community whose source of strength is the Eucharist.

Miraculous Prayer to the Little Flower

*O Little flower of Jesus, ever consoling troubled souls with heavenly graces, in our unfailing intercessions I place my confident trust. From the heart of our Divine Savior, petition the blessings of which I stand in greatest need.....Shower upon me your promised roses of virtue and grace, Dear St. Therese, so that swiftly advancing in sanctity and perfect love of neighbor, I may someday receive the crown of life eternal.
Amen*

Post-Roe 411: The Power of Prayer: Have you ever wondered if God hears our prayers? **Come and hear Dan Miller's witness** to the power of prayer and to God's love & mercy to the most vulnerable brothers and sisters in Christ, preborn babies. Dan has personally helped bring over 1,000 moms to choose life rather than abort their pre-born babies and trained hundreds to do the same as sidewalk counselors. Since 2010, 1,697 babies are alive because of sidewalk counselors in Milwaukee.

When: Tuesday, August 30th, 7 pm

Where: St. Therese Parish, 2020 91st St., Kenosha, WI

Why Pro-Abortion Catholics Should Be Barred from Holy Communion: *Fr. Frank Pavone*, National Director, Priests for Life, says that "the starting point in dealing with abortion . . . is not Catholic doctrine but *human reason*. The fact that the baby is a baby, and that killing the baby is wrong, can be known from reason alone. When Joe Biden and Nany Pelosi actively pursue an abortion-on-demand agenda, they not only violate their Catholic Faith . . . they also violate the entire Christian Gospel, and they violate every meaning of public service and human decency. They are defending, expanding, and funding the killing of babies. We need public servants who know the difference between serving the public and killing the public. One might ask these politicians which is easier to believe: that the unborn child is a human or that the Eucharist is the Body of Christ. How can they deny what the senses tell us in the first case, but affirm a truth so far beyond the reach of the senses in the second? How can they accept the Church's authority when she declares that the Eucharist is the Body of Christ, but reject that same authority when she declares that we need to protect the baby in the womb?"

Friday Eucharistic Adoration:

Friday adoration begins after 8am Mass, closes w/ Benediction at 5pm. **First Friday** adoration continues to Saturday 6am.

Where Charity & Law Prevail: Do Catholics Have "Rights" in the Church? Priests accused of wrongful conduct. Concerns of lay faithful ignored. Political leaders thumb their nose at the Church's teachings. Since the earliest days of Christianity, conflicts and controversies have been a part of the Church's life. Over time, a body of law known as "canon law" developed to help resolve some of these problems and scandals. What, if any, role can the law of the Church play in today's crises? On **Wed. Sept. 7, 6:30pm** at **St. Therese Church** 2020 91st St., Kenosha, come and hear **Dr. Michael Mazza, J.D., J.C.D.**, a civil and canon lawyer, who will address these and similar topics. Be sure to come with your questions! *For all who attend: **Hot beef sandwiches and side dishes** will be served by men of the Holy Name Society and Knights of Columbus from area parishes.
